This summer will be 50 years of Woodleaf hosting campers and leaders since Young Life purchased the old sawmill and logging town. There have been countless cabin times, clubs, Sugar Barrel visits, club talks, rides through the forest on Honda trail bikes, horses, and mountain bikes, and tons of other adventures. We want to celebrate how Woodleaf has been used to impact lives, open eyes, change hearts, and show the love of Jesus to thousands of adolescent lives.

Would you like to celebrate with us?

We are planning a weekend of celebration at Woodleaf from May 27 – May 29, 2017. There will be plenty of activities, program, music, and club talks - all wrapped in traditional Young Life quality, humor, and fun. It will be a time of remembering things of the past and anticipating the future for Woodleaf.

Looking back over 50 years, there is so much to remember and rejoice over. We would like to invite you and whoever else you think might also be interested to come and join the celebration.

Space is on a first come first serve basis and if it fills up before you register then you could be celebrating alone at home!

Go to the 50 Year Celebration online registration for all of the details of the information on the cost and opportunities for the weekend. If you have any questions, please contact the Woodleaf office.

We sure hope you will be able to join us to remember and celebrate an amazing 50 years of God using Woodleaf as one of his tools to change lives.
